

Datum Plus Ltd
Quality Policy
Policy Statement & Objectives

Datum Plus Ltd aims to provide a level of service exceeding our client's expectations whilst maintain the highest level of quality by professionally managing all aspects of every individual project regardless of its size.

- Datum Plus Ltd effectively manage, process and address all relevant objectives of our management systems in accordance with the requirements of ISO 9001:2015. This includes environmental safety and quality objectives, targets and the review of relevant processes and objectives.
- Datum Plus are committed to setting up and maintaining an effective communication system for each project that is based on relationship management and outcome-based principles. This system applies to Directors, Site supervisors, foreman, operatives, sub-contractors and suppliers representing the company.
- We will deliver our services using risk management strategies aimed at protecting Datum Plus Ltd, its employees, sub-contractors, clients and the general public.
- We strive to deliver a range of services to our customers based on the principle of continuous improvement.
- We are committed to supporting the local community by using local suppliers and employees where possible. Datum Plus will communicate with the general public regarding the project where possible.
- Management reviews provide the framework ensuring quality objectives are consistent with our quality policy and that the objectives positively contribute to product quality, operations, effectiveness and financial performance.

Datum Plus will communicate this policy with all of its employees. It will be freely available to the general public.

Employees, suppliers, contractors and consultants are all required to cooperate with our company's quality policy objectives.

This Policy Statement will be revised as often as required, taking in to consideration Company reorganisation, management change and new work methods and registrations. The Policy Statement will be brought to the attention of all employees and sub-contractors by all Directors, Managers, Supervisors and foremen.

Laura Richards as managing director is personally responsible for the quality performance of the company and signs this policy statement in acknowledgment of this.
